

COASTAL

FARMHOUSE

CONTEMPORARY

STANDARD

| *Gray*

- Starting at 2,958 SF
- Two story plan
- First floor owner's suite
- Open living plan
- 3-4 Bedroom
- 3.5-4.5 Bathroom

**The grandest of our floorplans, the Gray makes a statement inside and out.** The main kitchen space is over twenty-three feet wide. Light pours in from windows throughout the main integrated space and the foyer. The two story family room is spacious and unencumbered by walkways to other spaces in the home. The main level features a dedicated den/office, an owner's suite with dual walk-in closets, and included storage in the garage. The second level features a large loft space and two bedrooms with dedicated full baths.

# FIRST FLOOR

**What it is:**

- spacious
- luxurious
- innovative

**What it's not:**

- divided
- cramped
- inefficient

Renderings are artist's interpretations. Actual home construction may vary. Optional features may be shown that are not included in the base price of the home. Furniture is not included in any of our homes. Plans subject to change without notice. Equal housing opportunity. Copyright 2021 Aurora Homes.

Opt. 12' Garage Extension

Need a spacious plan that fits on a smaller lot? Want an open plan and privacy? Need to integrate outdoor and indoor living space? Want a kitchen that can be the centerpiece of any home? Want natural light AND privacy? Need to go to school and work, at home, at the same time? **The Gray can meet your needs.**

# SECOND FLOOR

With room to expand, these are options that will accommodate what you may need now, or in the future.

**We want you to be successful and comfortable in a home that best fits your style.**
